

## SCHOOL OF PHARMACEUTICAL SCIENCES AND TECHNOLOGIES JAWAHARLAL NEHRU TECHNOLOGICAL UNIVERSITY KAKINADA

Kakinada - 533003 , ANDHRA PRADESH, INDIA

### ABOUT JNTUK

Jawaharlal Nehru Technological University Kakinada (JNTUK), established in 2008, evolved from the College of Engineering Visakhapatnam, founded in 1946 by the Madras State Government. Situated on a 110-acre campus in Kakinada, JNTUK serves as a major hub for technical education in Andhra Pradesh, with jurisdiction over 11 districts and 159 affiliated colleges. The university offers more than 50 undergraduate and 120 postgraduate programs in engineering, pharmacy, and management, supporting around 2,30,000 students.

### WELCOME TO PHARMACY

The **PHARMACY PROFESSION** plays a vital role in the healthcare system by ensuring the safe, effective, and appropriate use of medications.

The School of Pharmaceutical Sciences & Technologies (SPST) established in 2008 is situated within the JNTUK campus in Kakinada, East Godavari District, Andhra Pradesh. SPST offers a comprehensive Bachelor of Pharmacy (B.Pharm), this undergraduate course spans four years and is designed to provide students with in-depth knowledge and skills in pharmaceutical sciences. Masters in Pharmacy (M.Pharm- Pharmaceutics, Pharmaceutical Analysis and Pharmacology), these post-graduate Programme is not just a qualification; it is a gateway to numerous professional avenues where you can significantly contribute to science, healthcare, and society. Ph.D. Programme offers a right balance between knowledge and application which is a rewarding journey from research to new information to be gained, advancing in professional and personal development. The institution is committed to delivering quality education and fostering research in various domains of pharmacy related areas.

### VISION

To be a globally recognized center of excellence in pharmacy education, research, and innovation, fostering professionals equipped to contribute to healthcare advancements, pharmaceutical sciences, and societal well-being.

### MISSION

- **Provide Quality Education:** To deliver comprehensive and innovative pharmacy education that nurtures competent professionals capable of meeting the evolving demands of healthcare and pharmaceutical industries.
- **Promote Research and Innovation:** To advance cutting-edge research and innovation in pharmaceutical sciences, focusing on new drug development, drug delivery systems, and addressing emerging healthcare challenges.
- **Foster Collaboration:** To establish strong industry-academia partnerships for knowledge exchange, skill development, and promoting the commercialization of research.
- **Contribute to Society:** To produce socially responsible pharmacy graduates who are ethical, compassionate, and committed to improving public health and well-being.
- **Encourage Lifelong Learning:** To instill a culture of continuous learning and professional development to adapt to technological advancements and global trends in pharmacy.

## SCHOOL OF PHARMACEUTICAL SCIENCES AND TECHNOLOGIES JAWAHARLAL NEHRU TECHNOLOGICAL UNIVERSITY KAKINADA Kakinada - 533003 , ANDHRA PRADESH, INDIA

### UNIQUE FEATURES

- Qualified faculty as per PCI norms having good number of Publications & Patents with committed and dedicated professional & research activities.
- Laboratories equipped with sophisticated instruments.
- Medical Camp conduction to promote & encourage the students to know the persistent health issues and to overcome by developing confident to become future pharmacists
- Visiting faculty from reputed industry and academic institutions.
- Seminars by eminent members of professional bodies.
- Well established Training and Placement cell, an integral unit of JNTUK
- Students secured best GPAT and NIPER ranks, Scholarships are provided with annual Industrial visits, Internship during their Projects & Interactions.
- NSS activities, Sports and Academic events participation by the students
- On campus Placements drives & placing the students in Multi national companies.
- Animal house approved by CCSEA, Ministry of Fisheries, Animal Husbandry and Dairying (MoFAH&D).
